

FOR IMMEDIATE RELEASE

SlapDash Publishing announces the release of their latest book titled:

Britt's Donuts Forever Sweet

by Daniel Ray Norris & Halyn Prusa

ISBN: 978-0-9834175-3-8, 136pp, 8.25"x7.75", hardcover, www.brittsdonutsfanclub.com

Britt's Donuts has been a Carolina Beach institution for right at 75 years. Not many businesses can claim so long a history and still make their product in almost the exact same way it has been made since it was first pulled out of the cooker. Owner, Bobby Nivens has kept the spirit and essence of Britt's Donuts alive by adhering to a set of golden rules. His philosophy - "Don't fix it if it isn't broke" permeates everything that is perfect about Britt's Donuts. His business has been at its current location since the early 1970s and on the Carolina Beach boardwalk since 1939.

Britt's Donuts - Forever Sweet traces the humble origins and growth of this most beloved family business. Behind the scenes donut making secrets are finally revealed! Never before published photos illustrate its history and interviews with current and past employees showcase the enduring impact that Britt's Donuts has had on people's lives.

“ You will never forget the first time you eat a hot, delicious Britt's donut. The taste lingers on your tongue and in your mind and will likely become a memory that is... ***Forever Sweet.*** ”

SlapDash Publishing, LLC, is a small but prolific publisher of graphically rich books and other media and is located in beautiful Carolina Beach, North Carolina. Our focus is to preserve, promote and popularize local history and culture in a graphically pleasing way that is both enduring and tastefully executed. We currently design and publish books for Dr. Chris Fonvielle under our NC Starburst Press imprint. More book projects are underway and we are always receptive to new authors seeking the services of a hands-on publisher. We believe we have a unique capacity to present imagery and information in a tangible and effective way. Our services include publishing, photography and graphic design. We take pride in developing mutually beneficial partnerships with our clients. Please visit our website for a list of distributors and view some of our more recent work.
